My Tasks page is being retired.
Thank you for your patience as we make changes to HQR. Quality Net Secure Portal Reports & PRS are still on the My Tasks page.

The New HQR is Coming

We are hard at work behind the scenes to modernize Hospital Quality Reporting. Over the next year you will see many exciting new features to help you execute your responsibilities faster, and with more confidence.

New! Check out the navigation on the left:
-- All features and functions are now available in the navigation
-- Tasks are clearly divided - move from one to another with ease

QualityNet – Abstraction Upload

The screenshot shows the CMS.gov QualityNet interface. At the top, there is a navigation bar with the CMS.gov logo and a user profile. Below this is a dark blue header with a blurred name. The main content area features a navigation menu on the left with icons for Home, Upload, and List. The main content area has several tabs: 'Web-based Measures' (with a red 'X' over it), 'Population & Sampling', 'Chart Abstracted' (circled in red), and 'HCAHPS'. Below the tabs are two buttons: 'File Upload' and 'Data Form'. A text prompt reads: 'Choose Select Files to browse your computer or Drag and Drop the files into the highlighted area.' Below this is a 'Submission' dropdown menu with 'Production' selected (circled in red), and a 'Change Selection' button (circled in red). At the bottom, there is a search bar with a 'Reset' button and a 'Select Files' button (circled in red). Below the search bar is a table header with columns: 'Batch File Name', 'Batch ID', 'File Size', 'Upload Date', 'Uploaded By', and 'Status'. The logos for KHERE and the Kansas Department of Health and Environment are visible at the bottom.

QualityNet – Abstraction Upload

This screenshot is similar to the one above but highlights different elements. The 'Chart Abstracted' tab is circled in red. The text prompt 'Choose Select Files to browse your computer or Drag and Drop the files into the highlighted area.' is circled in red. The 'Submission' dropdown menu is set to 'Production' and is circled in red. The 'Change Selection' button is also circled in red. The 'Select Files' button at the bottom right is circled in red. The table header below the search bar now includes a 'Program' column. The logos for KHERE and the Kansas Department of Health and Environment are visible at the bottom.
